

31 July 2024
Announcement

SPACE ONE to Join the 38th Annual Small Satellite Conference

SPACE ONE is pleased to announce our participation in the 38th Annual Small Satellite Conference, to be held at Utah State University from August 3 to August 8. This conference gathers government, industry, and academia to review recent successes, explore new directions, and introduce emerging technologies in small spacecraft development.

Visit our exhibition booth and explore SPACE ONE's launch capabilities. On Monday, August 5, we will present our launch services at the Japan Tea Party. We look forward to welcoming you at the event.
